

**Bohner's Lake Sanitary District No. 1**  
**32288 Bushnell Road, P.O. Box 280 • Burlington, WI 53105**

MINUTES – FEBRUARY 24, 2022  
SANITARY DISTRICT COMMISSION MEETING

The February 2022 meeting of the Bohner's Lake Sanitary District Commission was held on Thursday, February 24, 2022 at 5:05 PM virtually via WebEx at 1-408-792-6300 Meeting ID 2595 263 7912#. Present at the virtual meeting were Commissioners Harvey Kandler, Carrie Oldenburg; and Jess Wiskes; District Accountant/Admin Ruth DeLay; District Secretary Denise Rintz; Attorney Rich Scholze; and Tyler Gates of Baxter & Woodman.

1. **Approval of Meeting Minutes from January 20, 2022 Meeting:** Kandler/Wiskes motioned to approve the minutes of the January 20, 2022. Motion passed unanimously.
2. **BLMC:** There is a group of people that spun off of the BLMC that was set up to regulate the boat traffic and rules for boaters on Bohner's Lake. Harvey and Rich discussed this group as far as liability purposes as these regulations may differ from the town ordinances. They are not under the jurisdiction of the sanitary district. They wanted to print up their new regulations and asked for the sanitary district to pay for the cost of flyers. This may be a source of confusion as these self-made regulations may not mirror the town ordinances. This is something that may have to be addressed by the Town of Burlington.
3. **Mitigation Field:** Nothing new to report.
4. **8081 Lakeshore Drive Property:** Todd is working on getting the hotspot going for the SCADA system. Once this is completed we can terminate the Verizon services. Harvey received an email from TruGreen regarding applications for the new year. We should have Judy Pieters evaluate and make a recommendation for this season.
5. **Lift Stations/Sanitary System Updates:** Lift station 8 had to be reset after the power outage on Friday, February 18. We are getting close to the renewal of our maintenance contract for our generators and lift stations. Harvey is considering Lionheart as they are local and could be more accessible for immediate servicing when needed.
6. **Baxter & Woodman Project Updates:** Tyler reported that the sewer cleaning project for 2021 was completed. Tyler will get a recommendation. County Highway P manhole construction and reset project will not be handled in conjunction with the county resurfacing project. Tyler will work on the bid requirements. The sewer pipe repair will be managed by the district and We Energies will manage the driveway repair. This is not what we originally discussed. Wanasek will go out next week to make the repair on the line that We Energies shifted when they ran their gas line over our sanitary line. They estimated the cost is not to exceed \$15,000.
7. **Revision of District Sewer Use Ordinance:** The new ordinance has been published in the paper and is now up on the district website.
8. **Invoices for Approval:**

**SANITARY DISTRICT**

Baxter & Woodman
